LEAD PASTOR REPORT

On July 13th, we will begin a new sermon series in James titled Faith and Works. Our time in James will help us gain a better understanding of what genuine faith looks like practically in the world we live in. I started preparing for this series a few weeks ago and believe that you will find it to be both encouraging and practical in helping you continue to develop as a follower of Jesus who is able to engage life and people in a way that honors God serves others well. I believe we are entering into an exciting season of life and mission together as a church. I am thankful that we get to enter this coming season together as brothers and sisters longing to see lives transformed by the only message that has the power to do so, and that is the gospel of Jesus Christ (Rom. 1:16-17). Grace! - Pastor Keith

UPCOMING EVENTS

WORSHIP & DISCIPLESHIP REPORT

On July 31st we will be hosting a music tryout for anyone interested in serving on the music team! There is a flyer in the lobby with a QR code to sign up and get some information about the worship philosophy of Meadowbrooke. It's exciting to see our music team growing!

August 8th-10th is our summer youth camp! This will be an awesome time of fun and fellowship. Ben McKay will be handling the preaching and I (Dillan) will be leading the youth in worship through song.

We are planning to invest more in Life Group leaders, equipping them primarily in two areas: pastoral care and a view towards multiplying. The way we plan to help leaders in these areas is through regular monthly contact, just a quick check-in to keep the communication open and make sure they're not doing this alone. We will also plan on hosting two in-house gatherings per year (fall and spring) to train and encourage Life Group leaders.

ELDER REPORT

As I reflect on this past year, what stands out to me most is God's faithfulness and how our church has striven to live the life of discipleship. In the past couple of years, the Board has:

- Formed the Deacon/Deaconess Council in line with the New Testament model.
- Revamped our hiring process to include an independent committee (Prov 12:15)

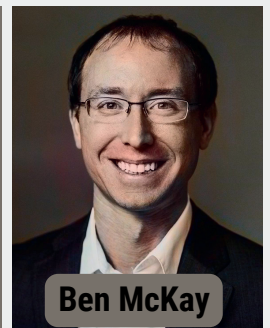

Recently, we have felt God calling us in specific ways, to include:

- Pursue our calling to minister to the nations and engage in international missions.
- Building a more robust and consistent prayer culture – including studying/discussing *A Praying Life* as an Elder Board, our Sunday morning *A Praying Life* course, and continued emphasis on prayer in our services.
- Enhance the feeling of community at Meadowbrooke, with exciting initiatives to come at the Fall Meeting!

Some of the items that we are currently working on include:

- Going on a mission trip to Peru in 2026 Growing our wonderful volunteer teams.
- Hosting *A Praying Life* Seminar, in alignment with our church's call to be people of prayer. More info soon!
- Growing our wonderful volunteer teams.

In Christ, Ben McKay and the Elder Board
